DETAILS OF THE RESIDENCY PROGRAMME

Artists will receive the following benefits:

- 13 weeks accommodation (*one week to set-up/pack-down and 12 weeks of residency*), including electricity, Wi-Fi and water.
- A large studio space. A barn owned by a local resident has been provided for the artist to work in to create their body of work. The residence provided is separate from the barn. No tools or equipment are provided in the barn.
- A stipend for living expenses for up to 12 weeks.
- Seven return ferry trips (*two trips with SeaLink and five with Fullers*).
- Exhibition at the Gallery including marketing and installation.

The works created through the residency should be accessible to a large and primarily New Zealand audience and respond to our unique island environment.

Community engagement is an important outcome of the residency artist with a requirement to engage with schools and community groups and deliver a public programme including workshops and an artist's talk.

The culmination of the residency will see the staging of an exhibition in the main gallery of the Waiheke Community Art Gallery Te Whare Taonga o Waiheke.

The Gallery expects artists to be able to work fairly closely to the dates detailed below or discuss any alterations to dates with the Gallery Director.

The artist will be responsible for taxation and ACC payments related to the grant.

The selection of the artist will be made by Friday 6 December 2024 with applicants notified. The decision is that of the selection panel and no discussion or correspondence will be entered into.

- The successful artist will be expected to attend all events as noted in the schedule.
- It is expected that the studio will be open one day a week (day to be decided by artist) for visiting public.
- The artist will be available for photo sessions, media interviews, publicity and promotion associated with the residency.
- All works produced on Waiheke during the residency or exhibited in the AiR exhibition are required to be for sale through the Waiheke Community Art Gallery.
- The artist will reside in the accommodation provided and work in the barn provided and will take due care of both properties.
- Artist are required to take responsibility for their own activities during the exhibition period. Any alternative arrangements are at the artists own cost.
- Exhibition de-installation to be discussed with Gallery Director. Works generated as part of the residency to remain at the Gallery for up to three months following the exhibition. The donation of a work from the residency to the Permanent Collection of the Waiheke Community Art Gallery is also requested.

Artists wishing to be considered for this residency should complete the accompanying Application Form and return it to: exhibitions@waihekeartgallery.org.nz
